

Amendment A

In the Claims:

Please amend the claims as follows:

1 (once amended). A set of golf clubs comprising a plurality of adjacently sequenced golf clubs, wherein a first golf club in the set has a club length at least about 0.6 inches longer than a second adjacent golf club in the set, and further wherein a third golf club in the set has a club length which is less than 0.6 inches longer than a fourth adjacent golf club in the set.

2 (once amended). The set of golf clubs of claim 1 wherein the first golf club in the set has a club length no more than about [between about 0.6 inches and] 1 inch longer than the second adjacent golf club in the set.

4 (once amended). The set of golf clubs of claim 1 further comprising a fifth [third] golf club in the set, the first, second and fifth [third] golf clubs being respectively sequentially adjacent to one another, and wherein the second golf club has a club length which is greater than 0.72 [at least about 0.6] inches longer than the fifth [third] golf club.

8 (once amended). The set of golf clubs of claim 4 wherein the second golf club has a lie angle at least about 0.6 degrees less than the fifth [third] golf club.

23
1 9(once amended). The set of golf clubs of claim 8 wherein the second golf
2 club has a lie angle about 0.75 degrees less than the fifth [third] golf club.

3
4 13(once amended). The set of golf clubs of claim 8 wherein the second golf
5 club has a club head weight of at least about 9 grams less than the fifth [third]
6 golf club.

7
8 14(once amended). The set of golf clubs of claim 7 wherein the second golf
9 club has a club head weight of at least about 9 grams less than the fifth [third]
10 golf club.

24
11 15(once amended). A set of golf clubs comprising a plurality of alternating
12 sequential adjacent golf clubs, wherein a first golf club in the set has a club
13 length at least about 1.2 inches longer than a second alternating sequential
14 adjacent golf club in the set, and further wherein a third golf club in the set has
15 a club length which is less than 1.2 inches longer than a fourth adjacent golf
16 club in the set.

17
18 16(once amended). The set of golf clubs of claim 15 wherein the first golf
19 club in the set is no more than about [has a club length between about 1.2
20 inches and] 2 inches longer than the second alternating sequential adjacent golf
21 club in the set.

Please add the following new claims:

22. The set of golf clubs of claim 1 and wherein the set of clubs comprises at least 12 golf clubs, and does not include a putter.

23. The set of golf clubs of claim 22 and wherein the first golf club in the set has a club length which is greater than 0.72 inches longer than the second golf club in the set.

24. The set of golf clubs of claim 15 and wherein the set of clubs comprises at least 6 golf clubs, and does not include a putter.

25. The set of golf clubs of claim 24 and wherein the first golf club in the set has a club length which is greater than 1.42 inches longer than the second golf club in the set.

(Continued on page 5.)
